1. Members, guests and visitors are required to report to the Golf Shop before playing the course or using any practice facility.
2. All competition golf will be conducted according to the R&A/USGA Rules of Golf.
3. Only packaged alcohol purchased from the Clubhouse may be taken onto the course.
4. The dress code as displayed outside the Golf Shop must be adhered to.
5. Greens Staff have right of way on the course at all times.

7. Players are not to hit up on preceding players.
8. Bunker rakes are to be returned to the base of the bunker. Players must rake divots, smooth footprints and leave the bunker as they expect to find it. Enter and leave only on the low side of a bunker and do not walk on its face unless it is unavoidable.
9. Players searching for a ball should signal the following group to pass through as soon as it is apparent that the ball is lost, and not after the three minutes search time has elapsed. Players must not continue until those who were following have passed through and are out of range.
10. A group which is falling behind and is more than one clear hole behind the group ahead must allow the following group to pass. Failing this courtesy, the group following should request and has the right to expect that they will be allowed to play through. A group losing one clear hole may incur a two-stroke penalty per player, pair or group, depending on the event.
11. The playing of a second ball (a maximum of two) is permitted in a practice round provided there are not more than two players in the group – three or more players can only hit one ball each.
