The Golf Shop team are on hand to give great advice, show you the latest equipment, help you with your game and advise you of future fitting clinics with all our leading brands.

The Golf Shop also have a repairs section, so you can leave your clubs for repair and refurbishment and hire your requirements for the duration.

For those looking to Get Into Golf, there are introductory lessons with our PGA trained professionals, experienced in teaching children, young adults, mature learners and also the differently abled. There are also dedicated clinics for those serious about swift improvements.

Some lessons programs have free or reduced charges for beginners but for those looking for improvements, tips, tricks and Pro Game hacks before tournaments, these are the current fees.
