THE IDEALS OF MEMBERSHIP

Golf relies on the integrity of the individual to follow the rules of Golf and to show respect and courtesy to other players.

The Club expects Members to show the same consideration for others when in the Clubhouse. Our Club will be judged on the behaviour of its members and its effects on the enjoyment of the game. The Club expects visitors to share the same standards of conduct.

This document is primarily concerned with the golfing activities of the Club. The Board of Directors of the Club has issued a number of By-laws that affect the conduct of golf at this Club, which are:

BY-LAW 9 Rules of the Course

BY-LAW 10 Owning and Driving a Cart

BY-LAW 11 Junior and Cadet Golf

BY-LAW 22 MiClub Online Competition Golf Booking

The Board has also sanctioned a Code of Conduct for Members, Guests and Visitors which applies both inside and outside the Clubhouse. Current versions of these documents are to be found on the Club website and can also be read at Reception and the Golf Shop. Should this document be at variance to them, the current versions will have precedence. Members must familiarise themselves with their contents.

Under the reformed Royal and Ancient Rules of Golf 2023 (1.2a) the Match Committee is empowered to disqualify any competitor for serious misconduct for which the Rules has no fixed penalty. The Committee has not at the time of writing chosen to introduce stroke penalties

for lesser misconduct, but this may change in the future. Please note that events and dates in this document are subject to change, please check the Club website regularly.

DRESS STANDARDS

Club dress regulations have been developed by your Board to achieve a satisfactory club standard. Members and their guests not correctly attired will be asked to leave the course or Clubhouse. Regulations regarding dress code are displayed in the Clubhouse and Golf Shop.

NOTE:

1. Persons not complying will not be permitted on the course or in the clubhouse.
2. Caddies and persons accompanying members must adhere to dress regulations. Members are responsible for the dress and conduct of their guest. Anyone wrongly attired may be required to leave the course.

RULES OF THE COURSE

1. Members, Guests and Visitors are required to report to the Golf Shop before playing the course or using any practice facility. Members are required to carry their current Membership card at all times.
2. All competition golf will be conducted according to the R&A / USGA Rules of Golf.
3. Only packaged alcohol purchased at the Club may be taken onto the course.

4. The Catalina Club dress code must be adhered to by all Golfers.
5. Greens team have right of way on the course at all times.
6. Members transiting the course must give way to those playing the course. It is forbidden for any member not playing golf to be travelling opposite to the direction of play on, or adjacent to, a fairway if in range of a shot being played.
7. Players are not to hit up on preceding players, but should at all times be ready to play without delay. Nobody should move, speak or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
8. Bunker rakes are to be returned to the base of the bunker, and where practicable away from the normal line-of-play. Players must rake divots, smooth footprints and leave the bunker as they expect to find it. Enter and leave only on the low side of a bunker and do not walk on its face unless it is unavoidable.
9. Players searching for a ball should signal the following group to pass through as soon as it is apparent that the ball is lost, and not after the three minutes search time has elapsed. Players must not continue until those who were following have passed through and are out of range.
10. Groups must remain in contact with the group in front. Failing this, the group behind are within their right to be expected to be called through to maintain flow on the golf course. The group overtaken must not play on until the group in front are out of range.
11. The playing of a second ball (a maximum of two) is permitted in a practice round provided there are not more than two players in the group – three or more players can only hit one ball each.

12. Motorised Golf Carts must remain a clear distance, 10 metres, from all tees, greens and bunkers, unless on a formed path. Carts must not be driven over mounds to preserve these delicate areas. Authorised Cart owners and second drivers of carts must be familiar with By-law 10.
13. Buggies, bags or carts are to be left on the exit side of the green and must not be parked directly in front of the green whilst putting. When play of the hole has been completed and any damage to the green repaired, players must immediately leave the area from the rear or from the side of the putting green.
14. All players are to carry and use sand to repair any player damage caused or observed around the course.
15. Use of the Driving Range must be in accordance with the displayed rules.
16. Players will not use profane or abusive language, throw or break their clubs, wilfully damage the course in any way, or criticise the course, the competition, or club officials.
17. **MOBILE PHONES** – May only be used for the purposes of Scoring and playing the game in accordance of the MiScore App and in the case of emergencies with due consideration of other golfers.

THE PACE OF PLAY

It is not the intention of these guidelines to penalise players, but to bring to player's attention the accepted methods whereby they can improve their pace of play and avoid inconveniencing other players who also wish to enjoy their golf.

It is expected that a round of golf at Catalina Club should not take more than 2 hours for 9 holes and 4 - 4¼ hours for 18 holes. In the Rules of Golf, Rule 5.6 is relevant to the pace of play. A player who does not abide by the Rules may be disqualified. Slow play causes great frustration to all the other players on the course. For everyone's sake, let us avoid it by:

1. Not starting a round early: this causes hold-ups in the flow of play. This may be waived by the Starter.
2. Sticking to your booking time and allowing the group in front the allotted interval between tee-times.
3. Maintaining your place in the field. Remember, your place in the field is immediately behind the group in front and not in front of the group behind.
4. Playing "Ready Golf":
 - Move briskly to your ball between shots, while being mindful of your safety and the safety of those around you. Being ready to play your shot when it is your turn is key to ensuring everyone gets around the course in an adequate speed.
 - If you are a shorter hitter play first from the tee or fairway if longer hitters are having to wait while maintaining a safe position in relation to other players on the course

- Play your tee shot if the person with the honour is not ready to play
 - Play your shot before helping someone to look for a lost ball (remember 3 minutes is the maximum time to search for a lost ball)
 - If a ball is known to be in a penalty area do not waste time trying to retrieve it at the expense of the following players
 - Play or putt out of turn when it is appropriate to do so
5. Time efficiency on the green. When you reach the green, move to your ball and repair any pitch marks. Where possible, line up your putt prior to your turn to putt.

CHILDREN ON THE COURSE

In the interest of safety, children under the age of ten (10) years are not permitted on or about the playing area (including the practice area) of the golf course, unless they are either under the immediate care and supervision of an adult, or they are a Junior / Cadet Member of Catalina Club. However, the senior staff in the Golf Shop may grant exemption to such children who are playing members of another registered golf club. When in a cart, children must remain seated, and under no circumstance will a child drive a cart, unless otherwise authorised by the Director of Golf.

DOGS NOT PERMITTED

Dogs are not allowed onto the golf course or into the

Clubhouse. This restriction does not apply to Guide Dogs and other special needs dogs.

RULES FOR USE OF GOLF CARTS

1. Golf Carts may be used in any Club competition.
2. Any person wishing to use private motorised vehicles MUST apply to the General Manager for approval (conditions can be found on the Catalina Club website). Each application will be considered on merit.
3. The considerable increase in the use of motorised transport has caused the Board to examine ways of minimizing harm to the course and interference to other players. Vehicles must, therefore, meet the club's minimum standards with regard to:
 - Silencing (electrically driven vehicles are the only vehicles accepted), and,
 - Potential to cause damage to the course (weight and wheel width are critical to this assessment).
 - Standards and specifications have been determined and are available on request.
 - Any new application by a member seeking permission to use private motorised transport must comply with these standards.
4. Motorised golf carts must remain a clear distance, 10 metres, from all tees, greens and bunkers. Carts must not be driven over mounds to preserve these delicate areas.

9. To maintain a consistent and professional appearance of the course, and surrounds, golf carts must remain free of any signage, advertisements, or political, personal or commercial messages. This includes company logos, branding or sporting affiliations unrelated to Catalina Club.
