A TASTE OF OUR WEEKLY SPECIALS IN 2026

Each week there is a standard lunch menu of clubhouse classics, with lunch size versions of many of our main menu favourites at lunch time size prizes. In addition to these easy favourites, the chefs like to change it up with the best of the season's new produce or season-focused taste sensations.

We update the weekly newness on our Facebook and Instagram stories, so follow Catalina to see what is new before it arrives. As these are weekly specials, they can sell out quickly, so book your lunch reservation and don't miss out.

Here is a selection of this season's weekly specials, so you can get a flavour of afternoons at Catalina.
