

# RECIPROCAL RIGHTS 2025/2026

Catalina Club has a number of Reciprocal agreements with other Clubs across the State and Country. These rights pertain to golfing exclusively and do not offer any benefits or rewards enjoyed by being a member of Catalina Club. If you are a regular golf visitor from another club, we recommend joining as a social member to enjoy all the benefits, discounts and rewards enjoyed by our members.

These agreements range from full Reciprocal Rights which gain visiting golfers the same playing rights as a member when playing Catalina.

We also have a number of Negotiated Rights Reciprocal Clubs where Social Golf is discounted by 50% of the daily Green Fee rate.

Members **must** be a Full Golfing Member of the Reciprocal Club.

To become a Country Member at Catalina Club, golfers main residence must be 100km+ from Catalina Club to enjoy the discounted membership fee.
